

# After School Program Release Form

To promote safety, we have set forth the following recommendations for leaving LCS. The After School Program staff will not be responsible for escorting children home after they use the program or participate in activities. After School ends promptly at 6:00pm.

We recommend that any child in the sixth grade or younger be accompanied home by a parent or guardian.

Additionally, parents and guardians must contact LCS as soon as possible if their child will be late or absent from the After School.
